An oath betrayed.
A centuries-long curse.
A kingdom teetering on the edge
of destruction.

In a world of magic, Nicoleta is unremarkable, except for her cursed, stuttering tongue. No special powers, no renowned apprenticeship, just the terrible, stammering aftereffects of the Lilac Plague.

Until she opens the ghostly blue vision from her mother.

“

I closed my eyes
and silently
promised myself to
see this through
until my last
breath.

- Nicoleta,
"The Lilac Plague"
